

Nationwide Physical Exam Programs

Fully Integrated Health Solutions to Ensure Your Employees Are Well to Work

A healthy workforce is a productive workforce, and productive employees drive the value of any business. Prudent evaluation and care before a specific work event, be it a posting abroad or a new hire, is the best medicine to ensure employees are healthy and productive for their new assignments.

How do you best ensure wellness and productivity?

We make the answer simple: a Passport Health Physical Exam Program designed specifically for your company. By combining extensive healthcare service offerings, vaccination expertise, a nationwide network of over 240 clinics, innovative technology, and fully integrated reporting capabilities, Passport Health is able to solve problems and work with the organizational nuances of nearly any business.

First-Class Care, Accessible Nationwide

Passport Health's experienced, highly trained staff of healthcare professionals is committed to providing nothing less than first-class care at our nationwide clinic network or onsite at a your location, making Passport Health Physical Exam Programs readily accessible to employees. Equally important, our medical services, reporting, and billing processes are standardized across our clinic network to streamline your administrative process.

The Passport Health Advantage:

- **240+ Clinic Locations in North America.** Located in nearly every major metropolitan area, with onsite clinics available.
- **Extensive Contract Experience With Large Organizations.**
- **Proprietary Technology and In-House Support.** Secure, innovative, and proprietary Electronic Medical Records, Practice Management, and Vaccine Credentialing Management systems streamline service delivery and minimize client administrative time and expense.
- **Dedicated, Highly Trained Medical Staff.** Extensive training ensures delivery of the highest standard of care at any location.
- **Cost-Effective Solution.** Flexible, client-centric solutions with volume discounts available.
- **One-Stop-Shop Solutions Provider.**

Passport Health draws upon over 20 years of experience as the nation's leading provider of travel medicine and over 10 years of experience administering Physical Exam Programs to the US government, contracting organizations, and corporations to offer a fully integrated solution to client health and wellness needs, be they event-specific or ongoing. Passport Health is your one-stop-shop for complete workforce health and wellness solutions.

Examinations, Medical Tests, Laboratory and Blood Testing, and Vaccinations.
